

Louisville High School

Auto Mechanics Wavier Form

The auto mechanics class is designed for students to learn through hands on activities and gain experience while working on actual vehicles. Students who choose to work on their on personal vehicles are responsible for the service completed. The school or the Industrial Technology instructor are not responsible for any damages that occur during school hours or after the vehicle leaves the shop. The Industrial Technology instructor will supervise all work in the shop and will double check to see that the correct procedures are followed.
